PD/136 Apologies for Absence.

PD/137 Declarations of Interest.

PD/138 Minutes of the Last Meeting.

To agree and sign minutes of the previous meeting.

PD/139 To Discuss the New Forest National Park Authority's Consultation on Alternative Housing Sites and Formulate a Response.

The NFNPA has recently received updated advice from Natural England regarding the potential impacts of new greenfield housing allocations on the protected habitats of the National Park. A consequence of this advice is that several proposed housing allocations contained within the draft Local Plan (October 2016) will not now be taken forward and alternative sites have been assessed.

The NFNPA are seeking feedback on these potential alternative housing sites, of which Ashurst Hospital is one, and the responses received will inform the preparation of the Submission Draft Local Plan. The consultation document and response form is available on their website at:

http://www.newforestnpa.gov.uk/info/20040/planning_policy/361/local_plan

This informal public consultation runs from Wednesday 14 June – Wednesday 26 July 2017.

PD/140 Any other business.
