KC

b. Committee Chairs/Working Parties

Cllr Robinson – Following the NFNPA Planning Meeting where the Whartons Lane application had been given permission despite our concerns about safety, Steve Avery at NFNPA had replied to Cllr Robinson stating that the NFNPA were confident that Condition 15 had been met and that there was no expectation that the Parish Council would have to take on responsibility for the 'green area' in the plans.

Cllr Robinson advised that there had been another extension for S106 to be decided. Following lengthy discussions, Cllr Robinson agreed to;

1) Write to NFNPA to ask why the decision had been made when S106 hadn't been agreed.

2) Write to Alison Barnes at NFNPA, Michael Gove, Julian Lewis MP, Southern Water and Hampshire Highways to express our concerns about that this application had been granted when our concerns hadn't been addressed.

3) Contact a Planning Solicitor to find out costings for a Judicial Review; what this entailed, costings and if this was a feasible option for the Parish Council and its limited funds.

c. Parish Councillors – Councillor Thomas asked if the grass in the Recreation Ground could be cut before the event and agreed that he would contact the Grounds Maintenance Contractor to request this

d. Neighbourhood Watch – No report received from PCSO Williams

22/011

Community & Environment

- a. Planters & Seats in precinct** – Cllr Hubbard advised that the Lengthsman had painted the noticeboards and would try to get the planters done before the Platinum Jubilee celebrations. The wooden signs have been installed and the planters have been re-stocked with new plants and are looking lovely, **but** the planters had not been watered during the recent hot spell of weather and the plants had died. The watering rota needs to be firmed up otherwise these new plants will wither and die.
- It was **RESOLVED**: that Councillors would speak to local businesses in the precinct to ask if a tap could be installed outside their premises to help ease the volunteers in watering the planters. The Parish Council would be happy to make a contribution to that businesses water bill. Clerk will forward any water rota volunteering emails to Cllr Hubbard as she had lost access to them due to the website provider changing over to a new server. **KC**
